Re: Initial Compliance Report for Batch Cold Cleaning Machine  
Source ID 1730152

Mr. Spratlin,

Enclosed in this mailing is the initial compliance report for a batch cold cleaning machine recently installed at our facility. This machine is subject to 40 CFR Part 63, Subpart T – National Emission Standards for Halogenated Solvent Cleaning. If you have any questions please call me anytime at (316) 943-0731.

Thank you,

Curtis B. Howell  
Environmental Manager

cc: Harish Agarwal, Kansas Department of Health and Environment
